THE STATE OF CALIFORNIA ORGANIZED. SLAVERY FOREVER PROHIBITED

LATEST ADVICES FROM THE MINES.

The steamer Empire City, Captain Wilson, reached New-York yesterday morning from Chagres, touching at Kingston, Jamaica. She left Chagres on the 29th cit. and Kingston Nov. 3. BAYARD TAYLOR and the other Correspondents of Diego, for instance. The Tribune on the Pacific. Some of these lethers we publish this morning, and the rest we shall give without delay. These we print to day ontain news of great importance.

MILLION in Gold.

U. S. N., Lt. WILKINSON, and E. W. HULL, Esq. ing regular Delegates had been elected: Parser of the Empire City, for their kindness in forwarding The Tribune's dispatches.

The Empire City arrived at Chagres October m. A. M., discharged her passengers the same day, and they all proceeded up the river in casoes, in good spirits. The steamer Alabama arrived at Chagres two days previous from New-Orleans, with passengers.

The steamer Oregon, from San Francisco, arrived at Panama on the 23d inst. with about 230 passengers and the United States mails, in charge of Lieut. Meade, U. S. N. and as the U. S. Mail steamer Falcon had not yet arrived at Chaptes, the mails were placed on board the Empire City. 30th ult. at 9 o'clock, sea account, bound for New-

The English steamer Tay arrived at Chagres on the 28th and left on the evening of the 30th for Carthagena, with the mails and bullion from South America-weighed anchor and left on Tuesday, Oct. 30, at 6 P. M. and arrived at Kingston on Thursday, Nov. 1, 94 A. M. The steamer Alabems arrived several bours afterward. Not finding any coal in Kingston, the Empire City was compelled to take on board a quantity of patent fuel, (which proved to be like many other patents. good for nothing.) which retarded her speed very

Russ Browne Sergeant of Arma—H. S. Houston, Clerk—J. E. Duriyage, J. S. Robe, J. Howa Doorkerper—Cornelles Sullivan

The day after their complete organization, to sworn to support the Constitution of the United States. An invitation was extended to the Clergy of Monterey to open the meeting with prayer, and

abide the decision of the Convention. On Thurs' pointment of the following members as the Stand ing Committee on the Constitution

Mesers Gwis, Norton, Hill, Fedrorens, Fosier, Carlibolas Geerre, Rodriguez, Teff. Cobarravias, Deni, Halleck Dummick, Hoppe, Variejo, Walker, Sayder, Sherwood Lippincott, Moore

The above Committee made its first report on Saturday, Sept. 8. It is necessary to recapitulate port pending the business of the Convention during the 8th, 10th, 11th and 12th. As finally opposition, and will probably receive no change

Suc II. All political power is inherent in the People inversement is instituted for the protection, security

sion of Congress. During that time they have established the principal features of the instrument and furnished, in outline, a sketch of the laws by which the future State will be governed. Before giving an abstract of their proceedings (which have been extremely significant and interesting in many respects,) it may be well to say a few words in regard to the manner in which the Convention was called and afterward constituted.

The necessity of some civil organization, further than the presence of a Governor without sufficient means to carry his orders into effect, has been felt since the first development of the gold resources.

THE ELECTION.

from Texas.

A very small proportion of those who arrive at the Mines are enabled to endure the fatigue and privations which they are obliged to undergo: consequently many return to the States; others establish themselves in business at San Francisco and at the several places of deposit on the banks of the Sacramento, Tuolume and other rivers. Agriculture is beginning to attract the attention of a large number, who are convioced that this branch of business will pay as well as any other.

[See Daily.]

IMPORTANT FROM CANADA.

Formation of an Annexation Association. MONTREAL, Friday, Nov. 9. 1849.

The Augenationists of Montreal held their first

meeting yesterday in the Temperance Hall, St. Sec. State The meeting was called for 12 o'clock, but it was I before it was called to order by Mr. John Redpath, appointed Chairman, and sented. Using to the prevailing irregularity of mails and expresses, our correspondence from the Mines failed to reach us in due time.

Perties have been organized within the past month, and departed to explore the region of Trinity River, where it is now rendeed certain gli exists. Several hundred French half breads from Oregon were at last advices employed very successfully upon this stream. Feather River bigh up, has been nearly drained of precious metal, and at this time affords scanty profit for the few who prefer its solitude to the crowded washings of the north. A gentleman from the South Fork of Feather River informs us that without the assistance of indians in washing to gold, labout is attend.

The following are the resolutions passed:

Moved by Hugh Taylor, Esq. seconded by Jacob Dewitt, Eleq M. P.:

Resolved, That It is expedient, under the evils that silict our country and the depression of the material interests, that all softmated by a cesl-s for its welfare should associate with a view to the attainment of a remedy, and we to, therefore, form ourselves in an Association for that purpose and to promote the social amedioration of Candic Condition of the City in Parameter, and we adopt the sentiments of the Address to the State English Condition of Candic Conditional Conditions of the City in Parameter, and we adopt the sentiments of the Address to the Parameter Condition of Candic Conditional Conditions of the City in Parameter Condition of Candic Conditional Conditions of the City in Parameter Conditions of the City in Parameter Conditions of Candic Conditions of the City in Parameter Conditions of Candic Conditions of Candic
